

Raw Materials Art Supplies Gift Card

Congratulations! You're the proud owner of a brand-new Raw Materials Gift Card that can be used in our online store or at our store in downtown Los Angeles.

Initial Balance

Issue Date

You can check the balance on your card online at:

<http://RawMaterialsLA.com/gift-card>

To redeem the card in our online store, include our card number as a comment during the checkout process where it says "Add Comments About Your Order". You will still need to supply a credit card for address verification and to cover any balance not covered by your gift card.

To redeem the card at our store in downtown Los Angeles, just bring in the card and give it to the cashier when you check out. You can also add to your gift card balance, or if the balance of your card is less than \$10.00, you can receive that balance in cash. You may not use the gift card to purchase another gift card with a value less than \$50.00.

Pursuant to California law, this gift card does not expire and is not subject to any fees.
